DUTTON COMMUNITY GARDEN GUIDELINES

- I will pay a fee, determined by the size of the plot I choose, to help cover garden expenses.
- The garden will be open for planting by May 15th. I will have something planted in the garden by June 15 and keep it planted all summer long.
- The garden hours are from dawn to dusk. I will respect the garden's neighbors.
- If I must abandon my plot for any reason, I will notify the garden leadership.
- I will keep weeds at a minimum and maintain the areas immediately surrounding my plot, if any.
- If my plot becomes unkempt, I understand I will be given 1 week's notice to clean it up. At that time, it will be re-assigned or tilled in.
- I am responsible for watering my own garden plot. There will be a hose and faucet available for use.
- I will keep trash and litter out of the plot, as well as from adjacent pathways and fences.
- I will participate in the fall cleanup of the garden. All plants must be removed within a week after the first hard frost. There will be a compost pile available.
- I will pick only my own crops unless given permission by another plot user.
- I will not bring pets into the garden.
- I understand that neither the garden group nor owners of the land are responsible for my actions. I therefore agree to hold harmless the garden group and owners of the land for any liability, damage, loss or claim that occurs in connection with use of the garden by me or any of my guests.
